Fares available from other cities using a choice of Qantas, Jetstar and Virgin connections.

New Caledonia is Australia's closest, affordable and most sophisticated South Pacific neighbour. In fact, a true international experience is less than 3 hours from Sydney and only 2.5 hours from Brisbane. So, you spend less time flying ... to get MORE out of your MICE.

New Caledonia offers a diverse range of amazing experiences, as well as one of the region's largest choices of quality hotels and facilities.

And when you fly with Aircalin you'll enjoy a combination of South Pacific hospitality and French quality. We also offer more services than any other airline to cosmopolitan Nouméa.
